Each organization shall submit the annual report for its immediately preceding fiscal year within 120 days after the close of that fiscal year. When requested by the director or the Attorney General, the organization shall promptly supplement the report to include any additional information that the director or the Attorney General deems necessary to ascertain compliance with this article.

(8) The plan has satisfied the requirements of this chapter, and a disciplinary action pursuant to Section 1386 is not warranted against the plan.

(d) The plan shall not file any forms or documents required by the Secretary of State in connection with any conversion or restructuring until the plan has received an order of the director approving the conversion or restructuring, or unless authorized to do so by the director.

(Amended by Stats. 1999, Ch. 525, Sec. 160. Effective January 1, 2000. Operative July 1, 2000, or sooner, by Sec. 214 of Ch. 525.)

This subdivision shall not be construed to limit or otherwise restrict the director's authority to adopt regulations under Section 1344, including, but not limited to, any additional regulations to implement this article.

(b) Upon receiving an application to restructure or convert, the director shall publish a notice in one or more newspapers of general circulation in the plan's service area describing the name of the applicant, the nature of the application, and the date of receipt of the application. The notice shall indicate that the director will be soliciting public comments and will hold a public hearing on the application. The director shall require the plan to publish a written notice concerning the application pursuant to conditions imposed by rule or order.

(c) Any applications, reports, plans, or other documents under this article shall be public records, subject to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code) and regulations adopted by the director thereunder. The director shall provide the public with prompt and reasonable access to public records relating to the restructuring and conversion of health care service plans. Access to public records covered by this section shall be made available no later than one month prior to any solicitation for public comments or public hearing scheduled pursuant to this article.

(d) Prior to approving any conversion or restructuring, the director shall solicit public comments in written form and shall hold at least one public hearing concerning the plan's proposal to comply with the set-aside and other conditions required under this article.

(e) The director may disapprove any application to restructure or convert if the application does not meet the requirements of this chapter or of the Nonprofit Corporation Law (Div. 2 (commencing with Sec. 5000), Title 1, Corp. C.), including any requirements imposed by rule or order of the director.

(Amended by Stats. 1999, Ch. 525, Sec. 162. Effective January 1, 2000. Operative July 1, 2000, or sooner, by Sec. 214 of Ch. 525.)

1399.75. (a) This article shall apply to the restructuring or conversion of nonprofit mutual benefit health care service plans to the extent these plans have held or currently hold assets subject to a charitable trust obligation, as determined by the director.

(b) Nonprofit mutual benefit health care service plans that do not have, or have only a partial, charitable trust obligation, and that intend to convert or restructure their activities shall, prior to the conversion or restructuring, secure approval from the director.

(c) Prior to approving a mutual benefit health care service plan restructuring or conversion under subdivision

(b), the director shall find that the plan has complied with its noncharitable obligations including, but not limited to, any obligations set forth in its articles of incorporation regarding the dedication and distribution of assets.

(d) The director, in carrying out the department's responsibilities under subdivision (c), may apply, to the extent appropriate in each case as determined by the director, the beneficiary protections authorized in this act, including, but not limited to, protections concerning the fair market value of assets, the avoidance of conflicts of interest, and the avoidance of undue influence or control, with respect to a mutual benefit plan's proposed disposition of assets.

(e) Nothing in this section shall be construed to limit the director's, Attorney General's, or a court's authority under existing law to impose charitable trust obligations upon any or all of the assets of a mutual benefit corporation or otherwise treat a mutual benefit corporation in the same manner as a public benefit corporation.

(Amended by Stats. 1999, Ch. 525, Sec. 163. Effective January 1, 2000. Operative July 1, 2000, or sooner, by Sec. 214 of Ch. 525.)
